To Whom It May Concern:

This is to advise that Pamela LaBelle has been in our employment from November 4, 1974 through November 24, 1976.

Pam started as Receptionist Clerk, advancing to Clerk Typist and shortly after to Inventory Control Posting Clerk. Her duties have included all phases of inventory control including management sales reports, set up new on-line programs and physical inventory responsibilities.

During her period of employment we have found Pam to be a highly intelligent person, very dependable, cooperative, and her greatest asset, her personal initiative. Her quality and quantity of work has more than met our job qualifications.

We hate to lose an employee of Pam's qualifications and high standards and we highly recommend her for any position.
